## Emmanuel Youth Bring HOPE to Residents by Helping to Repair Houses

By Pastor Jacob Young, Ph.D. and Alexandra Scotland, Youth Leader

The Youth of Emmanuel, their leaders, and chaperones at Camp Hope.

From July 17 to the 23, twenty-two youth, young adults, and chaperones of Emmanuel United Methodist Church (UMC) in Beltsville participated in the Christian Appalachian Mountain Project, Helping Other People Enthusiastically (CAMP HOPE), which is a home repair ministry in Cumberland, Maryland.

As the organization's website says, "Camp Hope Inc. is a non-profit organization consisting of volunteers who gather every summer in Frostburg, Maryland. These volunteers help needy families and individuals from Allegany County and the surrounding areas to upgrade

# The Blessing of the Animals Returns!

By Pastor Jacob Young, Ph.D.

On Sunday, September 25, at 2:00 pm, Emmanuel United Methodist Church at 11416 Cedar Lane, Beltsville, MD 20705, will host its 5<sup>th</sup> annual Blessing of the Animals service. Everyone with an animal is welcome. Please make sure that dogs are leashed and cats and smaller animals are caged or otherwise restrained.

Animal blessing is a special ceremony conducted in remembrance of St. Francis of Assisi's love for all creatures. St. Francis considered animals to be his brothers and sisters, saying "All praise to you, Oh Lord, for all these brother and sister creatures." For many, pets are members of the family. Pets experience happiness, love, fear, and loneliness just like their owners do, and they build

close, personal bonds.

In addition to the influence of St. Francis of Assisi, one can find a good example of animal blessings in the Bible. When the earth was about to be flooded with water, God asked Noah to build an ark and put pairs of animals in it. This means that human beings are supposed to coexist with the companionship of animals. The animals and Noah's family were able to start a new world together. God created the world in a way that allows human beings to live together with animals. In this sense, animal blessing is justifiable biblically and theologically.

At the Blessing of the Animals service, it will be great to see the animals and the people who love their animals. Through this event, I hope that love for animals will

be amplified throughout the community. I look forward to seeing animals and those who love them.

If you have a question about the blessing, please contact Emmanuel United Methodist Church in Beltsville at 301.937.7114 or [office@eumcbeltsville.com](mailto:office@eumcbeltsville.com).

Let me conclude with the Franciscan prayer of animal blessing: "Blessed are you, Lord God, maker of all living creatures. You called forth fish in the sea, birds in the air and animals on the land. You inspired St. Francis to call all of them his brothers and sisters. We ask you to bless this pet. By the power of your love, enable it to live according to your plan. May we always praise you for all your beauty in creation. Blessed are you, Lord our God, in all your creatures! Amen."

their homes" ([www.camphopemission.com](http://www.camphopemission.com)).

Camp Hope represents a number of different Christian churches geared towards youth, teenagers, and adults. Camp Hope's website continues: "Our goal is to provide an environment where today's youth can celebrate the joy of Christian Fellowship while helping others in need. Each summer, over 400 youth and adults from various churches and denominations repair between 55 and 60 homes during a four-week period" ([\[phopemission.com\]\(http://www.camphopemission.com\)\). This summer marked Camp Hope's 39th year.](http://www.cam-</a></p>
</div>
<div data-bbox=)

Camp Hope is in session for four weeks each summer, with each group attending for one week. The week begins on Sunday afternoon and ends on Saturday morning. Throughout the week, Camp Hope provides daily worship services, including prayer, songs, music, and scripture. Participants also meet for home improvement and repair, recreational activities, and fellowship. Everyone stays in the dorms at Frostburg State University. Breakfasts and dinners are provided for each camper; the entire camp

shares these meals together in local churches.

Everyone involved feels the impact of God's love through Camp Hope. Church youth and adults say the experience enhances their personal relationship with God by providing hands-on outreach. Many youth return year after year.

The individuals and families served receive home rehabilitation, home winterization, and safer homes, as well as an experience of Christian fellowship and God's love.

This is Emmanuel's second year participating in Camp Hope. For 4 years prior to working at Camp Hope, the youth joined a similar home-repair ministry in Christiansburg, VA, from the summer of 2011 through the summer of 2014. It was decided to help those in their home state of MD in 2015.

Emmanuel is proud of the compassion, dedication, and willingness of its youth and young adults for taking part in a program geared towards helping others. As pastor, I have been preaching a series on the good Samaritan, and much like the good Samaritan, our church and its members have always been sensitive to the needs of others and willing to help them.

In addition to Camp Hope, Emmanuel UMC also has a food ministry (4<sup>th</sup> Saturday of each month) and Community Place Café (food ministry for the homeless, 3<sup>rd</sup> Friday of each month). If you are interested in participating in these good Samaritan programs, please contact the church office at 301.937.7114, write to [office@eumcbeltsville.com](mailto:office@eumcbeltsville.com), or come visit our church services on Sundays. We have a 9 am contemporary service, a 10:15 Bible study for children and adults, and a traditional service at 11:15. Everyone is invited to join us at 11416 Cedar Lane, Beltsville, MD 20705.

### Greater Beltsville Business Association's (GBBA) 5<sup>th</sup> Annual Charity Golf Classic

The annual GBBA Charity Golf Classic will take place on September 9. This year's tournament is shaping up to be another successful event. Major sponsors like ABM Services, Anchor Construction, and the 21<sup>st</sup> District Delegation have stepped up to the plate to help make this event great once again! Many local businesses sponsor the tournament by playing, donating, advertising, participating in raffles and games, and even volunteering or attending the banquet.

The golf tournament is always fun for all those involved. It has become a great community event with many local businesses and community members coming together. All of the proceeds go back out to the local community. Many local organizations and charities have benefited as a result of the funds raised from the tournament, so we want to make it bigger and better every year! For a full list of sponsors and recipients, please contact one of us below.

Here are *some* of the recipients from past years:

**Police Explorers**—It placed 4<sup>th</sup> this year in the national competition!

**Nick's Place**

**Boys & Girls Clubs** (local)

**GBBA & Rotary Humanitarian Efforts**—There are too many to list but making an impact on those that need it.

**Feherty's Troops First Foundation** ([www.troopsfirstfoundation.org](http://www.troopsfirstfoundation.org))—The organization does not advertise or market. Rather, it does the real work necessary to support soldiers in need no matter where they are or what they are doing.

It's not too late to get involved! If you, your business, or someone you know would like to play,

sponsor, volunteer, and/or otherwise participate (you do not have to be a golfer), please contact either Sharon DeGrouchy at 240.417.7364 or [sharon.degrouchy@inf.com](mailto:sharon.degrouchy@inf.com), or contact Craig Cooper at 301.343.5584 or [cocooper@cciprinting.net](mailto:cocooper@cciprinting.net) for more information and to support the community where we live work and play!!

Registration begins at 7:30 am, and the tournament starts at 9 am. All players/teams will receive a goodie bag and have a chance for many other prizes from a 50/50 raffle, door prizes, a hole-in-one contest, a putting contest, and other on-course games and contests. There will be a banquet dinner, awards, and prizes after completion of a round. The tournament will be held at Cross Creek Golf Course, 12800 Bay Hill Drive, Beltsville, MD 20705.

#### Additional GBBA upcoming events:

GBBA Breakfast—Cross Creek Golf Course, September 21 from 7:30-9 am

In addition, Jason McFarlane, Janelle Thomas, and Yoo Club journalism mentor Etienne Lamothe wrapped and served hot dogs to hungry Beltsville residents. You can even view the wonderful shots photography mentor Osiry Joya took on the organization's Facebook page.

The hard work and planning turned out to be a great success! Jarlene Flores was able to get the contact information of many inter-

ested parents whose kids wanted to be a part of the Yoo Club. Not only did the youth help at our community event, but they were able to show what the Yoo Club is really about: service, leadership, and creativity.

The Yoo Club will be having an information session with free refreshments at Fairland Aquatic Center on August 28, 2016 from 2-3 pm ready to answer any questions you might have and get to know interested kids and parents.

We hope to see you there too! (Want to sign up for the Yoo Club? To learn more about registration, visit [Facebook.com/theYooClub](http://Facebook.com/theYooClub).)

## Beltsville Church and Community Center Help Local School Children

More than 100 children in Vansville and Calverton elementary schools will have the chance to start the 2016/17 school year with plenty of school supplies thanks to the work of volunteers from the Beltsville Adventist Church and Beltsville Adventist Community Center.

More than 10 volunteers met to put together backpacks for some of the needy children at the

two schools plus 10 children at the church's own church school, Beltsville Adventist School. The church's school has a 60-year history educating children from Beltsville and some surrounding areas.

Church leaders contacted the leaders of Vansville and Calverton to determine what should be in the backpacks. The church then bought backpacks and supplies, including crayons, glue, paper, pens, pencils, notebooks, and other supplies needed for the children to be able to succeed in school.

"We got into this because we thought it was a great project to

help schools and students," said Pastor Will Johns, associate pastor for community connections. Johns has been on the pastoral staff since February 2014. "We found out that putting the backpack together was fun for our Beltsville Adventist Community Center staff volunteers as well."

"We blocked off three hours to fill the backpacks, but we were done in 60 minutes. It was great fun, helping kids get the school supplies they need," said Ronnalee Netteburg, one of two volunteers at the Center.

# Patuxent Research Refuge Featured in Film Series on Urban Refuges

Tandem Stills + Motion and the National Wildlife Refuge Association released today a short film on the Patuxent Research Refuge, located in Laurel, MD, outside of the major metropolitan areas of Washington, DC, and Baltimore.

The film is one of several being created by Tandem in an ongoing collaboration with the Refuge Association to document and celebrate the importance of urban national wildlife refuges throughout the United States.

The Patuxent Research Refuge is the only refuge in the National Wildlife Refuge System established to support wildlife research. The film highlights the forest, meadow, and wetland habitat of this area in addition to the wildlife. School children and visitors from the surrounding areas are featured and reflect the connection between these wild places and urban communities, including the Masonville Cove Urban Wildlife Refuge Partnership in the heart of Baltimore.

The National Wildlife Refuge

System is managed by the US Fish and Wildlife Service (USFWS). The Refuge Association is a non-profit that supports the National Wildlife Refuge System through various strategic programs. The USFWS recently created an Urban Wildlife Conservation Program to engage communities around national wildlife refuges and to provide new opportunities for residents of America's cities to learn about and take part in wildlife habitat conservation. The films are a part of this program.

The USFWS has identified 14 priority urban wildlife refuges within the National Wildlife Refuge System. Tandem documented seven in 2015, and the remaining seven are being documented this year.

In addition to Patuxent, the others this year include the Arthur R. Marshall Loxahatchee National Wildlife Refuge in Florida, the Don Edwards San Francisco Bay National Wildlife Refuge, the Minnesota Valley National Wildlife Refuge, the Bear River Migra-

tory Bird Refuge in Utah, the Detroit River International Wildlife Refuge, and three refuges in South Texas—Santa Ana National Wildlife Refuge, Laguna Atascosa National Wildlife Refuge, and Lower Rio Grande Valley National Wildlife Refuge.

“These refuges are in close proximity to many of the major metropolitan areas in this country. They are a natural treasure that connect these urban communities to wildlife and wild places, and provide a variety of recreational opportunities for outdoor enthusiasts, children, and families,” says filmmaker and Tandem CEO Ian Shive. “The Urban Wildlife Conservation Program is fostering a sense of appreciation for these refuges, and providing a place for the next generation of nature lovers to learn and grow.”

The film is available on the USFWS YouTube channel and website. The previous short films can be viewed on these sites as well.

## Pokemon GO Safety Tips

By Officer Demin Vitaliy

1. This may seem obvious, but...do not play Pokemon GO while driving. In a statement, AAA Mid-Atlantic warns that distracted driving results in at least 3,000 deaths per year according to the National Highway Traffic Safety Administration. And using handheld electronics while driving is illegal in Maryland, AAA Mid-Atlantic says. Prince William County Police posted on Twitter to make sure you don't crash or wander into traffic while pursuing Pokemon.

2. Avoid suspicious locations, the Better Business Bureau (BBB) advises. One man was targeted by armed robbers while hunting Pokemon at a gas station at 2 am, Missouri police say. To avoid potentially dangerous situations, you should make sure that people can see you if you're playing at night, and be aware of strangers, Prince William County Police add.

3. Do not trespass while playing, Prince William County Police tweet. The BBB report that one man found that his house was listed as a PokeStop where players can collect free items in the game. And a sheriff's department in central Virginia links increased reports of trespassing and suspicious activity to Pokemon GO.

4. Be aware that, the more characters you catch in Poke-

mon, the higher the cost to train and store those characters, the BBB says. You can win Pokecoins while playing, but catching more Pokemon might mean you have to purchase some Pokecoins with real money. Decide ahead of time how much money—if any—you're willing to part with, and try to stick to that decision.

5. Don't forget that the app's GPS demands will take up a lot of your phone's data, the BBB reports. If you don't monitor the app's data usage, the game will become a lot less fun when you get your phone bill.

6. Signing into Pokemon GO using your Google account risks a breach in privacy if you have an iPhone because it would give the game access to all of your Google data, the BBB finds. Avoid this by creating an account in the app.

7. Be respectful of where you're playing. Do not hunt Pokemon at memorials on the National Mall where people want to reflect, the National Mall and Memorial Parks

asks visitors. Museums like the United States Holocaust Memorial Museum are not appropriate places to try to “catch them all.”

8. Remember that Pokemon characters disappear and move to different locations in the game. If that coveted Pidgey is hiding in an unsafe or inappropriate location, you can wait for it to move to more suitable hunting ground

cost \$34 and a half tray \$18. The mum color selection includes red, yellow, white, lavender (pink), and bronze (orange). The mums cost \$7 per pot. The Boy Scouts will deliver the mulch, topsoil, pansies, and mums to your home, saving you time, energy, and gasoline. You can deduct 33% of your purchase from your taxes as a gift to the Boy Scout troop.

The profits from this fundraiser will allow the scouts to participate in a competition in orienteering, camping at Assateague Island, camping in a cabin, and climbing indoors in the winter. By purchasing products from Boy Scouts in Beltsville, you are supporting an award-winning Boy Scout troop. The deadline for placing your order is September 8. See our web page at [www.bsabeltsville.net](http://www.bsabeltsville.net) or call Kia Murphy at 301.467.9886 for additional information.

### Scouts Attend National Night Out

During National Night Out in Beltsville, the Boy Scouts put up a double-A frame monkey bridge for the first time ever. This was a smaller (only about 3.5 feet off the ground), little, kid friendly version

Scouts frolic in the waves at Assateague

Scouts help a Cub Scout cross the monkey bridge

of the famous monkey bridge that the scouts build at Beltsville Day. Six scouts (Vlad, Kyle, Mike, Brandon, Abel, and Patrick) built it with logs, rope, and their pioneering skills in just over 2 hours. The building and crossing of the bridge was supervised by Scoutmaster Rick Derry and Assistant Scoutmaster Eric Saathoff, troop committee member Laurie Deery, and parent Ann-Marie Miller. Lots and lots of kids crossed the bridge, leading to many big smiles for the kids.

### Scouts Enjoy Summer at the Beach

Boy Scouts from Troop 1033 went to Assateague State Park the weekend of August 12-14. The Scouts had fun playing in the surf, riding boogie boards, fishing from the beach, and building sand forts. The Boy Scouts who went to the

beach were Vlad, Brian, Ryan, Solomon, Kyle, Mike, Justin, Henry, and Daniel. Supervised by Scoutmaster Rick Deery and parents Joe Mullen and Dongyu Guo. Family members including moms and sisters tagged along on this beach campout. The scouts enjoyed a hearty meal of chicken burritos with all the fixings. The evening campfire was made especially enjoyable by watching the meteor shower. We hope you

enjoyed your summer as much as the scouts.

### Cub Pack 1031 Summer Fun

This past month, Cub Pack 1031 went bowling at AMF College Park because of the weather and had a great time at National Night Out. Weather also cancelled our annual creek walk, but we will begin our new year with a raingutter regatta in late August with recycled water bottles and then be back to our regular den meetings in mid-September.

Pack 1031's Join Scouting Night will be September 12<sup>th</sup> at 7 PM in the Cafeteria at Beltsville Academy.

We are now recruiting for new scouts. Look for us at local ele-

# Back to School

Well it's back to school time again. Let's look at some of the technology your students might need or want.

## Office Suites

It isn't clear if Microsoft Office will be made available to students and their families this year. We have discussed alternatives in the past, and I will repeat them here:

**LibreOffice**—<http://www.libreoffice.org> is a complete and full-featured Office Suite that is free and open source.

**Google Drive and Docs**—<http://google.com/docs> is a lightweight offering that works within your web browser. You must have a Google (or Gmail) account to use the tools, but the tools are free and include lightweight word processing, presentation, spreadsheet, and drawing tools. If you use the Chrome browser and Google Drive, you can even edit the documents when you are not connected to the Internet.

**Microsoft Office Online**—This is a similar option to the Google solution but with Microsoft Tools. The free version doesn't support offline editing, and it requires a free Microsoft account. It includes online versions of Word, Excel, and PowerPoint along with some other Microsoft tools like email

and a calendar.

## Learning Languages

If your student will be learning a new spoken language this year, you may want to checkout Duolingo at <http://duolingo.com>. Duolingo is a free language tutor with support for many languages. You use the program for 5 to 20 minutes each day mastering language skills. It is amazing how quickly the skills progress. Spanish is the most popular language with over 60 million users. You can start at the beginning, or you can take a placement test to see where you should start. I have found this to be a great way to refresh my Spanish skills.

## Learning Programming

There are a number of free, online resources to learn programming skills. Three to try are the Kahn Academy (<https://www.khanacademy.org>) with free courses in many programming languages; or for advanced students, the Massachusetts Institute of Technology (MIT) offers free college level courses through the Open Courseware Project (<http://ocw.mit.edu>); and also from MIT, is Scratch, which includes a programming environment suitable for younger children ([https://scratch](https://scratch.mit.edu)

[mit.edu](https://scratch.mit.edu)).

## Classic Books for Free

Did you ever need to read *The Canterbury Tales* for an assignment but the library was all out of copies? How about *Tom Sawyer*, *Huckleberry Finn*, *Alice in Wonderland*, or *Frankenstein*? All of these books and more are in the public domain and can be downloaded and read free from Project Gutenberg. Most books on Gutenberg are available in popular eBook formats like PDF, EPUB, and Kindle and can be read using free tools that can be downloaded on your computer, tablet, or phone. Even audio books are available.

## Next Month

Well, I guess that's a wrap for back to school this year. Next month, we will continue our computers and TV series.

# Local Mother Wins Dunkin' Donuts 2016 Community Hero Award

Beltsville resident Sophia West, the founder of Mothers in Action, was one of 10 winners in the DC area to win the Dunkin' Donuts 2016 Community Hero Award. According to [www.good-knight.org](http://www.good-knight.org), Mothers in Action is an initiative dedicated to making all citizens aware of the behavior patterns of bullies and criminal predators.

Dunkin' Donuts, America's all-day, everyday stop for coffee and baked goods, announced the 10 winners of its 6th annual Dunkin' Donuts Community Hero Award Program, which honors local heroes who are making a difference in their community.

"On behalf of Dunkin' Donuts, I am honored to present these exceptional citizens with the 2016 Community Hero Award," said Colleen Krygiel, field marketing manager, Dunkin' Brands. "This award is very special to Dunkin' Donuts and our franchisees, and we are amazed at the nominations we receive year after year. We received more than 340 submissions, our highest number yet, and these 10 individuals deserved our

highest recognition."

Each winner will receive the Dunkin' Donuts Community Hero Award, a \$75 gift card, and a \$500 prize.

The Community Hero Award is a forum for Dunkin' Donuts' guests to nominate and honor individuals who they feel have positively impacted, improved, and inspired the local Washington, DC, community. Nominations are submitted online, and recipients were selected based on their contributions to the residents of their local community, their community-driven activities and accomplishments, and the creativity and originality of the nomination submission.

The heroes recognized this year served their communities with purpose and passion in roles ranging from teachers to non-profit activists. Dunkin' Donuts hopes the Community Hero Award program will inspire future role models and community leaders and looks to continue honoring unsung heroes and celebrating the work they do on a daily basis.

## The Beltsville News Community Cookbook!

The Beltsville News is creating a community cookbook for the holiday season. We would like to fill it with your recipes. Beltsville is a diverse and wonderful community, and we would like the cookbook to reflect its diversity. Anyone can submit a recipe.

We are looking for recipes for

appetizers, soups, salads, sauces, meats, main dishes, breads, rolls, pastries, desserts, cakes, cookies, beverages, and more! If you have a recipe, send it to us today either by mail to Our Town Cuisine, P.O. Box 664, Beltsville, MD 20704-0664; or by email at [OurTownCuisine@aol.com](mailto:OurTownCuisine@aol.com).

All proceeds from the sale of the cookbook will go to fund the continued publication of *The Beltsville News*, your local paper for 64 years! So please send in those recipes ASAP so that we can be ready to sell them for the upcoming holiday season!

## Families Today

By Joseph Christopher Brian Martinez

Families today often don't spend enough quality time together; eventually, serious problems arise in these families. **How can families stay healthy and strong?**

Today, many people live for work, business, study, or money, but they forget to live for their families. We are busy with many things, but we are never busy with our families.

The solution to this problem is families have to change their priorities. If the priorities of each person are work, business, study, or money, people will never have time for their families. But, if people's priorities are their families, they will always have time to dedicate their lives to their parents, wife, husband, sons, daughters, and other relatives. If our families are the priority of our lives, work, business, study, and money will just be utilities for our lives and our families.

Many people don't put their families first because they love themselves and forget to love their families. When we love ourselves and not our families, we always put our work, business, study, or money first

and see our families as less important.

Jesus Christ teaches us to love our neighbors as ourselves. If we follow this teaching, we will love our neighbors and our families, and we will do everything to have time for our families.

If the father and the mother love their sons and daughters, they will have time to give them love, teach them good things, help them, talk with them, see what they are doing, know them, and watch them grow up and become adults. In response, their sons and daughters will love their parents and give them time, too.

If a husband loves his wife and a wife loves her husband, they will live their lives for one another, they will help one another, they will not fight and offend one another, they will forgive one another's mistakes, they will talk with one another and will understand everything, they will pay attention to one another, and they will take care of one another.

We must remember what the Apostle Paul said: "Any-

**FAMILIES**

continued from page 9

one who does not provide for their relatives, and especially for their own household, has denied the faith and is worse than an unbeliever" (1 Timothy 5:8). Unfortunately, many Christians and other people live their lives for many other things and don't dedicate themselves to their families. If all people obey this principle, our families will be healthy and strong. We can achieve all this when we love God above ourselves and everything else and

love our neighbors as ourselves.

Love can restore broken families and protects families from evil. We have to seek God and ask Him to help us to love. Love will give us time to dedicate to our families. Love will support and save families.

"If anyone acknowledges that Jesus is the Son of God, God lives in them and they in God. **And so we know and rely on the love God has for us. God is love. Whoever lives in**

**love lives in God, and God in them"** 1 John 4:15-16. **In summary, only love can make our families healthy and strong.**

*Not only in Summer!*

Where do the birds hide when it is raining - snowing - storming?

Where does the bunny find its welcoming hole just in time?

Somebody whispers into their ears - - I am very sure!

**School Supplies Drive Being Held at Post and Unit #217**

By Ivy Christoffers

Where have those happy-go-lucky days of summer gone? That's the question all our young folks are asking themselves as they prepare for another school year. We at Post #217 are currently holding our annual school supplies drive to assist local students. Each year, we find more and more students unable to afford the high cost of education. Therefore, we collect tablets, binders, no. 2 pencils, pens, paper, calculators, backpacks, and all other items that are needed by these students. Won't you help us in this endeavor? If we do not help our students, many times it falls upon their teacher to supply necessary items. We cannot expect teachers to foot these bills. There is a drop off box inside the front door of the post home located at 9218 Baltimore Blvd. We open at noon every day.

land District meeting for the year is being held at Glenarden Post #275 on September 25. Unit #217 is optimistic that it will receive district achievement awards on this day.

Remember to pause for a moment on September 16 to remember our POW/MIA's and, if possible, attend a ceremony in their honor at an American Legion post. We still have so many un-

counted for.

Post #217 enjoys hosting you for bingo on Tuesday and Wednesday at noon each week. Our post welcomes one and all. This is also a great place to hold your next birthday party, wedding reception, retirement celebration, or whatever other event you want to commemorate.

Our Friday night dinner dances continue to bring in a lively crowd, and every other Saturday night the group from Blogs Park hold spirited dances as well. All of these events are open to the public.

This being a very political year. Let us hope and pray that peace throughout the world can be attained and our troops may return home to their loved ones. May God continue to bless this great land of ours.

### The Prince George's County Genealogical Society

Please join us as the Prince George's County Genealogical Society holds its first meeting of the new year on Wednesday, September 7, 2016, at the New Carrollton Municipal Center, 6016 Princess Garden Parkway, New Carrollton, MD 20784, at 7:00 PM.

This month, our speaker will be Carol Traxler, PhD., who will use the example of Sudetenland to

explore genealogical research in Europe. As always, there will be time to network with others searching for their roots as well as learning new tips to assist your own research. Refreshments will be served.

For more information, visit us on the web at [www.pgcs.org](http://www.pgcs.org) or call the library at 301.262.2063. You can also like us on Facebook at <https://www.facebook.com/pgcogenealogy>.

### The Beltsville Young at Heart Club

By Barbara Schofieldten

At the last meeting of Young at Heart, we discussed where to have our November Thanksgiving dinner. Lois Hamilton said she tried the Elks Lodge, but they don't cook. Therefore, she called the Moose Lodge, and they do everything and were available at

that time. She is looking for some musical entertainment for the dinner.

I want to give a really big thank you to Rick Zerbe, who helped us with information about the Moose Lodge for our anniversary party and on many other occasions.

An ice cream social is a being considered for October. We will

have a speaker next month. I am not sure who it will be or what the speaker will talk about. If you have any questions or suggestions, be sure to speak up at the meetings and share your ideas. Blessed is the person who earns the love of an old dog.

### Happenings at the College Park Moose Lodge

On Saturday, September 10, the Moose Lodge presents Las Vegas Night. The doors open at 6 pm, and post time is 7. You will be able to play blackjack, poker, the Big Six Wheel, and other board games as well as participate in a 50/50 raffle and a cake wheel. You can also purchase a horse for \$10, name it, and watch the race on the big screen. Food will be available to purchase. Admission to this event is free.

The following week on Saturday, September 17, there will be a quarter auction sponsored by the Women of the Moose. The doors will open at 5 pm, and the auction will begin at 6. If you don't know what a quarter auction is, come on over anyway, and we'll show you how it works. Bring your quarters (or we can make change) and bid on items provided by several vendors. You could be a big winner for only a quarter or two! Food

will be available to purchase.

The next day, Sunday, September 18, there will be a bull and oyster roast. We will serve beef and oysters with all the trimmings!

All of these events are open to the public. Tickets can be purchased at the lodge at 3700 Metzert Road, College Park, MD. For information, please call 301.935.5525.

### The Beltsville Garden Club

The Beltsville Garden Club (BGC) will meet on Wednesday, September 28, 2016, at 7:30 pm in the multipurpose room of the Duckworth School, 11201 Evans Trail, Beltsville, MD.

Please join us for an expansive program titled "Plants, Plants, Plants." Dr. Richard Olsen, director of the US Arboretum, will discuss new plants, old plants, cool plants, and plants not yet on the market.

Dr. Olsen has been the director of the US Arboretum since May 2015. Before that, he served as the Acting Director of the Arboretum and acting director of the US Department of Agriculture's Agricultural Research Service. Dr. Olsen joined the Arboretum in 2006 as a research geneticist for the urban tree-breeding program at the Floral and Nursery

Plants Research Unit. There, he reinvigorated the arborum's urban tree program and developed new, woody ornamental breeding projects. His research has focused on developing superior landscape trees with pest and disease resistance combined with non-invasiveness. In one of many projects, he has developed a new catalpa cultivar, which is to be released to the public in about a decade. A recognized international leader in the public garden arena, Dr. Olsen has the distinction of being the last PhD student of the famed horticulturalist J. C. Raulston at NC State.

The public is welcome, and admission is free. Refreshments will be served after the meeting. To learn more about BGC, visit us on Facebook or [www.beltsvillegardenclub.org](http://www.beltsvillegardenclub.org).

# Baker Bill

It is a warm and pleasant day today. I'm very proud of my children and grandchildren. My daughter Wendy is a computer expert but was told she was being held back for advancement due to her not having a degree. So she enrolled at the University of Phoenix online, and after 4 years of hard work while holding down a full-time job, she graduated last week. One granddaughter is about to graduate in the fall from Maryland. Her sister will start there for her master's.

I should call this drivel "Report from Riderwood" because it's my life now. Thanks to Ted Ladd, we are getting a lot more papers; he brought 50 today, and they will be gone next week.

In August, I published a recipe for shortbread. It is going over well, and I have received good mail. I want to thank Rick Bergmann (my prime editor) for the photo of the recipe. That's just what they should look like. Many people make them too shallow to get more out of them, but, no, don't double up on the recipe.

I have a request for brownies because the ones in the bakery are so good. But my formula cannot be broken down like the others (made from a large batch to a lesser one) for the home. I did some research to find a good recipe, but I struck out. After going through 20 pages of copy, I found no recipes in print to make. Oh, there are recipes, but all call for a secret item, only sold by them. So if you want to make brownies, buy the box. But if you have a good recipe, send it to me

## ON THE AGENDA

continued from page 1

1 at 1 pm. The guest speaker will be United States Postal Inspector Michael Belz. He will discuss his job duties, mail fraud, and community concerns.

Our special guest speakers for Tuesday Teatime with COPS were Detectives Chaffee, Dyson, and Cruz from the Financial Crime Unit. Our next meeting will be September 13 at 1 pm at the Riderwood Town Center Celebration Room. The Detectives from our Regional Investigative Division (RID) will be there to inform us about crimes in our area. Anyone can attend this event.

The next Citizen's Association Meeting will be Wednesday, September 21, at 7 pm. Bring a friend...Bring a neighbor! I can be reached at 301.937.3490 or karenmcoakley@msn.com if you have any questions or concerns.

at bill@bakerbill.net.

September to me always meant pumpkin pie time. If you want to bake a pumpkin pie, first off go to the store and purchase ready-made pie shells. You know why! Then, follow this simple recipe to make a great pie.

Buy pumpkin pie spice, a small can of pumpkin (you should have the rest).

In a medium size bowl, place the pumpkin  
1/2 cup of sugar  
2 eggs  
a heaping teaspoon of spice  
3 teaspoons of corn starch

Now, stir in 1 cup of milk.

Wisk it up a bit to get it all together.

Preheat your oven to 400.

When the oven is hot, ladle the

mix into one of the pie shells and bake it 1 hour. You do not need to keep looking in the oven because there is no way it will be done before that. Bear in mind you cannot overbake a pumpkin pie: even brown, it's great.

Let it cool.

That's all for this month.

**TO THE WORTHY ONE**

Tsunamis of praise  
 Would not be enough  
 To glorify You  
 For all of Your love.

Full forests of leaves,  
 Adornments of fruit  
 Are barely sweet breaths  
 Exalting Your truth.

Though fields of ripe grain  
 Should wave ev'ry sheaf  
 Their off'rings of thanks  
 Seem frail, incomplete.

If every star  
 Was packed in one place  
 Your light would blind  
 them,  
 So brilliant Your face.

Majestic are beasts  
 All over the world;  
 Together their choir  
 Is but a faint herald

An e'er flowing fount  
 Speaks like a small stream,  
 And mountains of words  
 Pass as in a dream,

When trying to tell  
 Of Your mighty ways,  
 Inscrutable thoughts,  
 Incredible grace.

No power compares  
 Mere man can't explain;  
 Magnificence shouts  
 Throughout all Your reign.

We only reflect  
 And pale is the glow;  
 How vast is Your worth  
 Eternity knows.
